The Bauke Group partners with successful professionals to take control and put the reins of their career into their hands. We work with you to effectively identify, pursue, and maintain career satisfaction and happiness. We promise not to be everything to everyone. We won't take you as a client unless we're confident that we're the best partner for you and can be successful together at this point in your career.

We're fiercely committed to your success. We will ask the hard questions, listen and hear you, process your input and challenge your answers. We'll stay objective, truthful, and direct with our feedback.

Our *Transition & Exploration Coaching Program* is designed specifically for **Professionals** who are looking for:

- Career Transition, Change or Exploration Guidance.
- Strategy and Intention in your search - not only in your "what's next," but for the future.
- Development of a communication campaign and professional brand alignment to your goal.
- Not just the next job, but the "right" job.

Our clients are already successful. They know their stuff. What they often don't know is how to take a deep and broad look at where they are, where they want to be, and how to get there. That is where we come in.

- **You will get clarity and focus.** We will take a good, hard look at your career to date, get clarity on who you are today professionally, what your desired outcome looks like, and decide how to best move forward to get what you want.
- **You will have a strategic search plan.** Together, we will create a plan that gets you to your next step while taking a long-term view of your career goals.
- **You will get accountability, objectivity, and a fierce advocate partnering with you for your search!** You will partner with a career strategist who has extensive experience guiding and assisting highly successful clients who achieved greater career satisfaction and personal fulfillment.

Your *Transition and Exploration Coaching Program* will include:

- A true relationship and partnership with your dedicated Strategic Career Advisor.
- Complete support working through our proven job search process: **Think/Plan/Execute.**
